Webinar: Leaving Care – An Integrated Approach to Capacity Building of Professionals and Young People

Thursday, 23 July 2020 3:00 - 4:30pm CEST

This webinar, hosted by Better Care Network and SOS Children's Villages International, will feature the voices of careleavers and young people who served as co-trainers in the [Leaving Care project](#).

Panelists will discuss the training, building a supportive network for care leavers, and the support needed to ensure that the rights of young people in alternative care are respected and that they are prepared for an independent life.
