

SHAPING OUR CARE REFORM WORK ACROSS AFRICA

- Prevention and family support
- Family and community-based care options
- Effective child protection systems

- Number of children outside family care
- Social acceptance of violence against children

WORKING FULL SPECTRUM

2030 Breakthroughs

No child dies from preventable causes before their 5th birthday

All children achieve relevant learning from quality basic education

Violence against children is no longer tolerated

Appropriate care critical to achieving breakthroughs

Developing and replicating signature programs

We will...

... be the voice

advocate and campaign for better practices and policies to fulfil children's rights and to ensure that children's voices are heard (particularly those of children most marginalised or living in poverty)

... build partnerships

collaborate with children, civil society organisations, communities, governments and the private sector to share knowledge, influence others and build capacity to ensure children's rights are met

... be the innovator

develop and prove evidence-based, replicable breakthrough solutions to problems facing children

... achieve results at scale

support effective implementation of best practices, programmes and policies for children, leveraging our knowledge to ensure sustainable impact at scale

VIOLENCE AGAINST CHILDREN IS NO LONGER TOLERATED

By 2030, all children, including those on the move and in emergencies, have appropriate care either from their own families or community-based alternatives

PARENTS WILL...

“Feel supported with access to social workers, social protection and other services to support their children.”

CHILDREN WILL...

“Live in safe family settings with access to food, education, health and social services”
