

SPECIAL EDITION LISTSERV ON CARE FOR CHILDREN IN HAITI

Part 2: February 05, 2010

To the Better Care Network:

As the situation continues to unfold in Haiti, we would like to ensure that our partners both on the ground in Haiti and around the world continue to receive the tools, resources, and information necessary to appropriately respond. Due to continued interest from our membership, we are dedicating a second listserv to the provision of care and protection for children in Haiti.

General Information

The purpose of the listserv is to enable members to exchange information on matters of mutual concern. If you would like to share a document, raise a specific issue, or reach out in any other way to the Network, please send the information to us at kriordan@unicef.org. In the interest of keeping messages consolidated, we will manage announcements on the listserv and send out a few messages each month.

We would like to involve as many people as possible who are concerned with better care issues in the Network. Please advise anyone who would like to be added to the listserv to send us a message at kriordan@unicef.org with "listserv request" in the subject line.

Alternatively, visit the homepage of the Better Care Network website, and click on the upper right box where it says "click here to sign up for our email announcements".
