Specific rights (arts. 5–30)</p> <p>Children with disabilities (art. 7)</p> <p>16. The Committee recommends that the State party:</p> <p>(c) Take measures to combat the stigmatization and stereotyping of children with disabilities within families and in society and implement strategies to prevent the abandonment, neglect, seclusion and institutionalization of children with disabilities.</p> <p>Liberty and security of the person (art. 14)</p> <p>27. The Committee is concerned about article 49 of the Criminal Code, which may lead to the arbitrary institutionalization of persons with disabilities, and about the enduring practice of institutionalizing persons with disabilities against their will and for extended periods of time, including in institutions run by traditional healers.</p> <p>28. Taking into consideration its guidelines on article 14 (2015), the Committee recommends that the State party review article 49 of the Criminal Code to ensure that persons with disabilities are not arbitrarily institutionalized in the context of criminal procedures, and take measures to eradicate the forced institutionalization of persons with disabilities, in particular persons with intellectual and/or psychosocial disabilities, including in institutions run by traditional healers.</p> |
