		<p>2fCO%2f1&Lang=en</p> <p>The Committee considered the initial report of Tunisia (CRPD/C/TUN/1) at its 46th, 47th, and 48th meetings (see CRPD/C/SR.46-48), held on 12 and 13 April 2011, and adopted the following concluding observations at its 52nd meeting, held on 15 April 2011.</p> <p>III. Factors and difficulties impeding the implementation of the Convention</p> <p>7. The Committee notes that the implementation of some aspects of the Convention might be influenced by the uncertainty and rapidly changing situation in the State party, following the democratic revolution. It notes the far-reaching institutional changes taking place in recent months, and views those changes as a unique opportunity for persons with disabilities to take part in the building of a new country.</p> <p>IV. Principal areas of concern and recommendations</p> <p>B. Specific rights (arts. 5-30)</p> <p>Children with disabilities (art. 7)</p> <p>16. The Committee is particularly concerned at the low rate of reporting (<i>signalement</i>) of cases of habitual mistreatment of children, including children with disabilities, which may amount to situations of danger, in view of the results of the Multiple Indicator Cluster Survey (MICS 2006) which indicated that 94 per cent of children aged between 2 and 14 years are disciplined in the home through violent means, whether verbal, physical, or through deprivation.</p> <p>17. The Committee recommends that the State party:</p>

		<p>(a) Evaluate the phenomenon of violence against boys and girls with disabilities, and compile systematic disaggregated data (see paragraph 39 below) with a view to better combating it;</p> <p>(b) Ensure that institutions providing care for children with disabilities are staffed with specially trained personnel, subject to appropriate standards, regularly monitored and evaluated, and establish complaint procedures accessible to children with disabilities;</p> <p>(c) Establish independent follow-up mechanisms; and</p> <p>(d) Take steps to replace institutional care for boys and girls with disabilities with community-based care.</p> <p>C. Specific obligations (arts. 31-33)</p> <p>Statistics and data collection (art. 31)</p> <p>38. The Committee regrets the invisibility of children with disabilities in data related to protection of children.</p> <p>39. The Committee recommends that the State party systematically collect, analyse and disseminate data, disaggregated by sex, age and disability, on abuse and violence against children.</p>
