

## WORKSHOP ON INDICATORS AND INFORMATION SYSTEM

### 1. Definition

- Are detention centers, boarding schools part and guardianship of formal care?

### 2. Problems

- Obstacles to data collection due to:
  - ✗ Lack of understanding of the value , analysis and utilization of the data
  - ✗ Forms not user friendly
  - ✗ Lack of feedback on the utilization of data gathered

### 3. Responses/Strategies

- ✗ Area-Based Standard Network (ABSNET)
- ✗ Revising existing data collection forms incorporating the global protection indicators

### 4. Recommendations

- ✗ National Level
  - using the indicators in licensing and as means to measure compliance to standards
  - possibility of including data in the national census conducted every 5 years
  - linking the info with the poverty alleviation indicators
  - training the staff and provision of technical assistance
  - involving existing networks in advocacy efforts
- ✗ Regional Level
  - information sharing through regional workshops, websites,etc.
